With the new SEAI grant of up to €700 available for new gas boilers and Flogas now offering interest-free loans of up to €3,000, the time is right to make some major improvements to the energy efficiency of your home and increase your BER instantly. By simply switching from oil to LPG you can avail of all the benefits in our home energy upgrade package.

Make the smart move from oil to Flogas today

1,200 LITRES OF LPG FREE

If you make the smart move today, we'll give you 1,200 litres, absolutely FREE.

INTEREST FREE LOAN OF UP TO €3,000

You'll have the option of an interest free 2 year loan of up to €3,000 to help with the cost of switching from oil to LPG.

PRICE FREEZE FOR 12 MONTHS

By switching you'll take advantage of our price freeze promise for the first 12 months.

SAFE AND SECURE

Safe and clean burning, LPG is a non toxic form of energy, and with oil theft on the rise, you'll enjoy peace of mind knowing that your home fuel supply can't be stolen.

REMOTE MONITORING

Our remote monitoring system means you can rest assured that you'll never run out of LPG. And you'll enjoy the convenience of our easy monthly payment plan too.

CLEANER AND GREENER

LPG is a clean, lower carbon, and innovative energy source. It's up to 100% efficient and has lower greenhouse gas emissions than oil, diesel, and electricity, on an energy equivalent basis.

HIGHLY VERSATILE

You'll be combining the most modern home heating technology with a range of super efficient Condensing Gas Boilers. LPG can help you save money whether you're using central heating or instant hot water, cooking or tumble drying.
